

# It Is High

(G)

F C G

It is high I cannot attain it

C F C G

Such knowledge is too wonderful for me

(repeat)

G /F# Em7

Where shall I go from Your Spirit

C

Or flee from Your presence

F C G

If I rise up into Heaven, You are there

G /F# Em7

Or if in darkness I am found

C

I still behold You all around

F C G

Such knowledge is too wonderful for me
